ALP Solid Wood Furniture

designed with tradition

The ALP collection

The elements of the ALP collection come to life through the special Alpage surface.

Both its appearance and texture offer a unique and distinctiv experience.

These handcrafted pieces of furniture become part of the family.

The pieces in the ALP product line are our most richly decorated furniture, featuring:

- Special craftsmanship
- Hand-carved traditional folk motifs
- Unique forged iron fittings

Forging is one of the oldest methods of shaping materials. Despite the spread of industrial forging, this traditional process has survived due to its:

- Exceptional quality
- Distinctive appearance
- Unique artistic value

This craftsmanship contributes significantly to the traditional and exclusive character of our products.

DETAILS

We pay close attention to detail.
One of the fundamental skills in fine woodworking is the
construction of dovetail drawers.

A well-crafted dovetail drawer is:

Extremely strong and durable
Visually refined and elegant

Nature and tradition in one word:
