2 + 2 DOOR IRON CABINET
800mm x 2000mm x 450mm

A bespoke hand crafted metal cabinet designed for those who love the minimal design but still want an attractive look in their home. The perfect piece to reflect your personality and taste.

The basis of our iron furniture collection is the sleek, simple industrial design. We expanded this with the "pharmacy cabinets" series, available in countless sizes and colour variations.

All of our cabinets are available in 14 basic colours, but it is possible to order individual sizes and any colour from the RAL colour scale.
