BRO TAB

These modern side tables combine solid oak tops with sculptural metal legs for a striking, contemporary look.

Their unique full metal base design ensures exceptional stability and visual balance.

The warm oak surface adds a natural touch that perfectly complements the sleek, matte metal finish.

Ideal as coffee tables, nightstands, or decorative accent pieces, they bring elegance and versatility to any interior.

Available in multiple sizes, they can be displayed individually or as a stylish nesting set.

BEAM TAB

This minimalist side table combines modern elegance with timeless functionality.

SOLID OAK TABLETOP

Its solid oak top adds a touch of natural warmth, beautifully contrasting with the sleek, full-metal base for a clean, contemporary look.

MULTIFUNCTIONAL DESIGN

Perfect as a coffee table, plant stand, or bedside accent, it blends effortlessly into any interior style. Durable, stable, and stylish — a refined choice for modern living spaces.

COLL TAB

These elegant side tables blend minimalist design with natural warmth.

SOLID OAK TOPS

Featuring solid oak tops and full metal bases in a soft beige tone, they bring calm sophistication to any living space.

The clean lines and smooth surfaces make them ideal for modern and Scandinavian interiors.

MULTIFUNCTIONAL DESIGN

Perfect as coffee tables or bedside pieces, they offer both style and functionality.

Display them together as a set or individually to create a harmonious, balanced look.

CORE TAB

This minimalist side table features a solid oak top paired with a sleek black metal base for a timeless, modern aesthetic.

COMPACT SIZE

Its clean design and compact size make it the perfect companion next to a sofa or armchair. The warm wood tone adds natural balance to the bold, matte black finish.

SCANDINAVIAN STYLE

Ideal for contemporary or Scandinavian interiors, it serves beautifully as an accent or coffee table. Durable, stylish, and versatile — a refined piece for any modern living space.

DROP TAB

This elegant side table pairs a natural oak top with a smooth, beige metal base for a warm yet contemporary aesthetic.

Its clean, rounded design adds softness and balance to any interior.

SOLID OAK TABLETOP

The solid oak surface highlights craftsmanship and durability, while the minimalist base keeps the look light and refined.

MODERN STYLE

Perfect as a coffee or accent table, it blends seamlessly into modern, Scandinavian, or Japandi-inspired spaces.

A piece that enhances both style and functionality in your home.

ECHO TAB

These modern side tables feature solid oak tops and sleek light grey metal bases, creating a perfect harmony of warmth and simplicity.

CLEAN DESIGN

Their clean geometric design fits effortlessly into Scandinavian and contemporary interiors.

The smooth oak surface adds a natural touch, while the matte base brings a refined, minimalist aesthetic.

MULTIFUNCTIONAL

Ideal as coffee tables, nightstands, or accent pieces, they offer both style and practicality.

Use them together or separately to elevate your living space with understated elegance.

LAMPY TAB

These sculptural tables combine playful design with natural elegance. Featuring solid oak tops and rounded metal legs in a soft olive tone, they bring warmth and character to any modern interior.

BOLD GEOMETRY

Their smooth curves and bold geometry make them both functional and artistic.

Perfect as coffee or side tables, they add a touch of creativity to living spaces.

DESIGN-FORWARD ATMOSPHERE

Use them individually or as a stylish set to create a cozy, design-forward atmosphere.

LOOP TAB

This modular coffee table set combines modern elegance with clever functionality.

Each piece features a solid oak top and a sleek black metal base with a distinctive curved shape.

CIRCULAR CENTERPIECE

The three individual tables can be used separately or joined together to form a stylish .

DESIGN AND VERSATILITY

The natural wood surface adds warmth to the minimalist design, while the matte black finish gives it a refined, contemporary edge.

Perfect for living rooms that value both design and versatility.

LUME TAB

These contemporary side tables combine natural oak tops with smooth, cylindrical metal legs in a soft light grey finish.

Their sculptural yet minimalist design adds personality and balance to any modern interior.

REFINED AESTHETIC.

The warm wood surface contrasts beautifully with the cool-toned base, creating a calm and refined aesthetic.

Ideal as coffee tables, nightstands, or accent pieces, they blend functionality with artistic form.

DISPLAY OPTIONS

Display them together for a layered look or separately to enhance different corners of your home.

NOOK TAB

These playful geometric side tables blend natural oak tops with bold, cylindrical metal legs for a modern, sculptural look.

CLEAN SHAPES

The round black table makes a striking statement, while the smaller triangular olive-toned table adds versatility and charm.

Their clean shapes and warm wood surfaces bring balance to any contemporary living space.

MINIMALIST STYLE

Perfect as accent tables, coffee tables, or functional décor pieces, they easily complement sofas, reading corners, or minimalist interiors.

Use them together for a stylish layered effect or individually as unique standalone pieces.

RANGE TAB

These vibrant console tables combine a solid oak top with bold, rounded metal legs in a rich mustard yellow finish.

Their minimalist shape is elevated by playful curves, bringing a fresh and modern character to any room.

ARTISTIC PRESENCE

Perfect as an entryway table, sofa-back display, or stylish accent surface, they offer both practicality and artistic presence.

The warm oak surface adds natural balance to the vivid base, creating a standout piece that instantly brightens your interior.

CONTEMPORARY ELEGANCE.

A unique design choice for those who love color, craftsmanship, and contemporary elegance.

ROLL TAB

This elegant side table blends a warm solid oak top with a smooth, rounded metal base in a soft cream finish.

Its simple cylindrical shape brings a calm, natural aesthetic to any interior, perfectly complementing Scandinavian and Japandi spaces.

OAK TABLETOP

The oak surface adds a touch of craftsmanship and warmth, ideal for holding décor, a cup of coffee, or everyday essentials.

TIMELESS ACCENT PIECE

Compact yet stylish, it fits beautifully beside a sofa, armchair, or in a cozy reading book.

A refined, timeless accent piece that enhances the serenity of your home.

SIDE TAB

This modern side table pairs a warm solid oak top with smooth, cylindrical metal legs in a soft light-grey finish.

Its rounded edges and clean, minimalist form bring calm elegance to any cozy corner of your home.

EFFORTLESS CHARM

Designed for both style and practicality, it offers the perfect surface for a cup of coffee, a book, or decorative accents.

The combination of natural wood and subtle matte metal makes it a beautiful fit for Scandinavian, Japandi, and contemporary interiors.

A compact yet eye-catching piece that enhances any seating area with effortless charm.

SMOOKEE TAB

This modern low table blends a solid oak top with bold, cylindrical metal legs in a warm olive tone.

Its rounded square shape and soft edges create a cozy, contemporary look perfect for Scandinavian and Japandi interiors.

SCULPTURAL CHARACTER

The natural wood grain adds warmth, while the matte metal base brings a fresh, sculptural character to the room.

STYLISH STATEMENT PIECE

Ideal as a coffee or accent table, it offers both visual appeal and everyday practicality.

A stylish statement piece that effortlessly enhances calm, minimalist spaces.

TRIO SEAT TAB

These stylish nesting tables combine solid oak tops with smooth, rounded black metal bases for a bold yet elegant look.

UNIQUE GEOMETRIC SHAPES

Their unique geometric shapes allow them to be used individually or arranged together as a sculptural centerpiece. The warm natural wood contrasts beautifully with the matte black finish, bringing depth and sophistication to any modern interior.

UNDERSTATED LUXURY

Perfect as coffee tables or accent pieces, they offer both versatility and visual impact.

A refined, contemporary set designed to elevate any living space with understated luxury.

WEDGE TAB

This contemporary console table features a beautifully rounded solid oak top paired with a sleek, sculptural black metal base. Its elongated, softly curved shape brings a refined and modern aesthetic to any living space.

MINIMALIST SILHOUETTE

The minimalist silhouette makes it perfect for styling with vases, books, or artwork, while the warm wood grain adds natural balance to the bold dark base.

FUNCTIONAL SURFACE

Ideal for entryways, living rooms, or behind a sofa, it serves as both a functional surface and a striking design statement. A timeless piece that elevates interiors with quiet sophistication.
